Meeting called to Order by Tim Sorrell

- A motion was made to make this meeting in lieu of our scheduled April 5th meeting and accepted by Board
- A motion was made by Doreen that we ask Denny Condron for approval to remove the "old" drive thru sign in front of Laston field. In lieu of removal some Board members suggested that we just improve its appearance. Tim Sorrell agreed to contact Denny and find out how he felt about it since it is on his land.
- Tim Sorrell indicated that we have \$5000 in revolving account and asked Doreen about a fence for softball field. Board agreed that essentially no improvements should be made without having more clarification on right of way issue
- Tim Sorrell provided an update on conversations with men's baseball league. He spoke with them about a donation as well as the possibility of looking into a roll out fence to protect children/adults and vehicles from foul balls from their activities. They utilized the field last year from 10 AM-3 PM every Sunday during the baseball season. The Board agreed that we need to look into a fee schedule for them this season, as well as look into having them sign an agreement accepting responsibility for damage caused by fly balls. Tim Sorrell to follow up.
- Gary LaCasse to scope bathrooms at Laston field. Need to determine effective way to keep the bathrooms clean once they are brought back on-line.

Old Business

- We will be paying Greylock \$400 to utilize gym this year.
- Bridge St. basketball nets purchased. Tim Sorrell to look into cleaning up courts and contacting Richard Piretti about re-surfacing
